THE DUO

MARIE OYA

Voice

ERIC MASEKO

Voice & Guitar

Marie Oya, a vocalist with an enchanting voice, and Eric Maseko, a skilled singer and guitarist, combine their talents to create perfect harmony. Their innovative use of the looper allows for live layering of orchestrations, giving the illusion of a full band on stage.

Linguistic and Musical Versatility

We speak and perform in English, French, Spanish, and Italian. Our repertoire ranges from Jazz, Soul, Blues, and Pop to French and international songs.

The Art of Looping

This device enables them to record layers of sound live, from bass to guitar, through percussion and solos, thus creating a rich and complex sonic experience that feels like a full band on stage. The result is a dynamic and engaging performance that transcends the usual limitations of a duo.

WHY CHOOSE LOUNGEDUO?
